

Mrs. C's Class

LEARNING GOALS

Reader's Workshop	Next week we will read <i>Lilly's Purple Plastic Purse</i> to learn about comprehension strategies we use when we read. We will also start learning about literacy corners. These are independent stations the students can go to when I am teaching guided reading in small groups.
Writer's Workshop	Next week we will learn that stories have characters and settings. We will continue to set up writers workshop procedures.
Math	We will focus on Topic 1 of math next week. We will be working with the numbers 0-5. We will know that a number name can describe how many and use it to represent how many in a set. We will practice writing our numbers 0-5.
Letter Work	Last week we studied and read our alphabet chart. This week, we will work on learning the letters L, I, T, and O. Students will need to recognize and tell the sound of each letter.
Science	We will observe and describe daily weather and describe general weather conditions associated with the summer.
Social Studies	We are working to create our classroom rules. We will learn how to resolve disputes peacefully in the classroom and on the playground. We will describe how groups need to make decisions and how those decisions are made in families and classrooms.
Theme	Colors and Shapes

Character Word of the Month

COURAGE

Facing difficulty with bravery.

Reminders:

Seesaw:
 Sign up for our class SeeSaw page! I have been posting fun pictures of our days and some learning that has been happening in our classroom.

Snack:
 Please send in snack for the month of September as close to September 1 as possible. A box of snack for 18 students will work just fine! Thank you!

COOKING SCHEDULE:

August 31: Sophia
 September 21: Miles
 October 19: Juneityn
 November 16: Callie

Next week's newsletter will be posted on SeeSaw and sent through email.
