

Mrs. C's Class

LEARNING GOALS

Reader's Workshop	Next week we will read <i>Stand Tall, Molly Lou Melon</i> to learn about reading for comprehension. We will continue to learn about our literacy corners.
Writer's Workshop	Next week we will learn that stories have characters and settings. We will build our writing stamina by writing for more extended periods of time.
Math	We will focus on Topic 1 of math next week. We will be working with the numbers 0-5. We will know that a number name can describe how many and use it to represent how many in a set. We will practice writing our numbers 0-5.
Letter Work	Last week we studied and read our alphabet chart. This week, we will work on learning the letters A, C, E, and D. Students will need to recognize and tell the sound of each letter.
Science	We will observe and describe daily weather and describe general weather conditions associated with the summer. We will use our senses to discover how daylight changes.
Social Studies	We will describe the character traits of role models within our school or family. We are working to identify the flag as a symbol of our nation. We will describe the roles and responsibilities of people in authority in families and in groups.
Theme	All About Me: Senses

Character Word of the Month

COURAGE

Facing difficulty with bravery.

Box Tops:

Please save and send in your box tops! The funds raised go directly to our school!

Snack:

Please send in snack for the month of September. One box of snack for 18 students for 1 day would be great!

Important Dates
