

Mrs. C's Class

LEARNING GOALS

Reader's Workshop	Next week we will read the book Ice Bear to visualize, retell, learn about polar bears, and infer meaning from the pictures.
Writer's Workshop	We will be focusing on some non-fiction writing this quarter. We will continue to use spaces and stretch out our words to get all the sounds. We are focusing on writing facts about things "we know a lot about". We are working on putting together mini all-about books.
Math	We have begun topic 8 in math! We will be decomposing numbers 0-10 in order to better our number sense.
Word Work	We will learn the words no and at. We will continue to work on correct letter formation and how recognize these words in our writing. We will talk about words in the -at family.
Science	We will look for a new way to solve a problem through STEM activities.
Social Studies	We will compare our families past and present and work on presenting our personal histories.
Theme	Winter: Polar Regions/Polar Regions
