

Mrs. C's Class

LEARNING GOALS

Reader's Workshop	Next week we will read <i>Just Going to the Dentist</i> by Mercer Mayer, to practice our reading comprehension strategies. We will learn about our teeth, hearts, and bodies this week and next week through non-fiction books.
Writer's Workshop	We will continue to focus on non-fiction writing. We are working on putting down facts instead of telling a story. We will also be working on two new techniques for stretching out our words when we write.
Math	We are learning to write and count up to 20 this week. We will continue to review addition and subtraction facts.
Word Work	We will learn words the words in and see. We will learn words from the -in family.
Science	We will look for a new way to solve a problem through STEM activities.
