

# Mrs. C's Class

## LEARNING GOALS

<b>Reader's Workshop</b>	Next week we will read the book <i>Tops and Bottoms</i> to talk about reading comprehension strategies. We will also dive into many non-fiction books about plants and insects!
<b>Writer's Workshop</b>	Next week we will focus on writing stories with two sentences with correct spacing and trying to get more than 2 sounds in our words. We will sequence our stories for better understanding and flow.
<b>Math</b>	We will be finishing up our topic on solid figures and shapes. Students will be practicing positional words. We took a shape hunt this week! Look on Seesaw to see the shapes they found.
<b>Word Work</b>	We will learn words the words me and we.
<b>Science</b>	We will be able to tell how plants and animals can change the environment to meet their needs.
<b>Social Studies</b>	We will be able to share findings about a topic.
<b>Theme</b>	Plants and Insects
