LEARNING GOALS

| | |
|--------------------------|---|
| Reader's Workshop | Next week we will read the book <i>The Relatives Came</i> to work on reading comprehension strategies. I will not be sending home green packets next week. We will instead keep the books we read at school over break. |
| Writer's Workshop | We will focus on getting sounds in the beginning, middle, and end of our words. We will work on adding a reaction to our stories. |
| Math | Next week we will finish up our topic about addition to 10. We will take our test and work on reviewing skills like counting on and number formation. |
| Letter Work | We will review the letters V and Y to focus on letter formation, sound, and recognizing it in different words. |
| Science | We will learn to describe the motion of an object. We can describe how to change the motion of an object. We will use manipulatives to create an object to solve a problem. |
| Social Studies | We will ask and find answers about a topic with assistance. |
