

Mrs. C's Class

LEARNING GOALS

Reader's Workshop	Next week we will begin guided reading groups, full swing! Look for green packets to come home starting once a week. These packets will contain a book that your child has read with me. Their job will be to read the book one or two time aloud with you at home and then bring the packet with the book home after you are done.
Writer's Workshop	We will working adding punctuation to our sentences and writing letters for most consonant and vowel sounds when we write. We will focus on getting sounds in the beginning, middle and end.
Math	We will compare numbers to 10. We will focus on learning to compare groups by using the words fewer, less than, and greater than. We will also talk about equal groups.
Letter Work	Next week we will go back through our alphabet to learn correct letter formation and review sounds. We will start with L, I, T, and O. We will heavily focus on the way we write the letter both capital and lowercase.
Science	We will learn to describe the motion of an object. We can describe how to change the motion of an object. We will use manipulatives to create an object to solve a problem.
Social Studies	We will ask and find answers about a topic with assistance.
