

# Mrs. C's Class

## LEARNING GOALS

<b>Reader's Workshop</b>	Next week we will begin an author study on Mo Willems. We will read <i>Leonardo the Terrible Monster</i> , <i>Don't Let the Pigeon Drive the Bus</i> and other great stories by Mo. We will talk about speech bubbles in writing, why an author uses different kinds of text in their writing, and retell key events from stories.
<b>Writer's Workshop</b>	Next week we will continue to focus on making our pictures and words tell a story. We will move away from "I like" stories into telling about events. We will make our pictures match our words.
<b>Math</b>	Next week we will finish up Topic 2 Comparing Numbers 0-5. We will begin learning about the numbers 6-10. We will continue to review number formation for 2, 3, 4, and 5.
<b>Letter Work</b>	This week, we will work on learning the letters R, N, M, and H. Students will need to recognize and tell the sound of each letter.
<b>Science</b>	We will observe and describe daily weather and describe general weather conditions associated with the summer. We will use our senses to discover how daylight changes.
<b>Social Studies</b>	We will describe the character traits of role models within our school or family. We are working to identify the flag as a symbol of our nation. We will describe the roles and responsibilities of people in authority in families and in groups. We are practicing reciting the pledge in morning gym.
<b>Theme</b>	Me in My World: Community Helpers
